Just when Brandon Ross gave up on the woman he'd always wanted, he found the one he neededâ€”right under his nose

A politician's son, Brandon reined in his desire to serve his community for years after a former friend blackmailed him for desiring the manâ€™s wife. Amberlin would do anything to make her boss notice her. But when one phone call from Kayla sends Brandon running after her, she knows it's time to stop waiting for him to see her and move on. Funny how her resignation gets Brandon's attention in a way short skirts didn't.

When Brandon confronts Amberlin, he realizes that he's been blind to his feelings for herâ€”and that the way she always calls him Sir and says "please" has his thoughts turning wickedâ€”
