A woman who defies her time

Dr. Garrett Gibson, the only female physician in England, is as daring and independent as any man—why not take her pleasures like one? Yet she has never been tempted to embark on an affair, until now. Ethan Ransom, a former detective for Scotland Yard, is as gallant as he is secretive, a rumored assassin whose true loyalties are a mystery. For one exhilarating night, they give in to their potent attraction before becoming strangers again.

A man who breaks every rule

As a Ravenel by-blow spurned by his father, Ethan has little interest in polite society, yet he is captivated by the bold and beautiful Garrett. Despite their vow to resist each other after that sublime night, she is soon drawn into his most dangerous assignment yet. When the mission goes wrong, it will take all of Garrett's skill and courage to save him. As they face the menace of a treacherous government plot, Ethan is willing to take any risk for the love of the most extraordinary woman he's ever known.
